Minimize Your Risk

As an attorney, you're focused on protecting the rights of your clients. But, you need to be just as concerned about protecting your own law firm and employees. If you or an employee are injured at work, are you prepared to pay the associated medical expenses? Are you in compliance with state regulations that mandate Workers Compensation Insurance? If a fire in your office destroyed papers and records, would your insurance pay for the cost to reproduce them? If your office were damaged or closed for reasons outside of your control, will you be reimbursed for lost income due to the business interruption?

Together, USI Affinity and The Hartford are focused on providing coverages for small businesses, and our small business insurance for law offices is truly designed with firms like yours in mind.

Protect Your Employees AND Earn a Dividend*

Workers' Compensation Coverage & Dividend Program

You may be aware that in some jurisdictions workers compensation coverage is mandatory for practices with as few as a single employee. (In some jurisdictions the requirement is placed on those practices with 5 or more employees.) What you may not know is that all Workers Compensation programs are NOT created equal. What makes this program different? We are making available a Group Dividend exclusively for bar association members who purchase their Workers Compensation Coverage through USI Affinity. A Group Dividend Plan affords bar association members the opportunity to share in the profits of the program. Program participants can also benefit from additional loss control services that may potentially help your practice save money over time!

Our state-of-the-art managed care and return-to-work program will help you get your employees back on the job as soon as possible. You may also qualify for a 5% discount on your Business Owners Policy if you also purchase your Workers Compensation from The Hartford.

The payment of a dividend as part of a Hartford program may not be construed to be a guarantee or indication of any future payment as part of such program.
