Without you, what would happen to your practice? And without your practice, what would happen to you? Would the bills stop coming in just because you became disabled? If you find these questions troubling, Business Overhead Expense Insurance can help provide a comforting solution.

As a member of the Pennsylvania Bar Association, you have an opportunity others may not have. The PBA Insurance Program has put together features on Business Overhead Expense Insurance that helps protect your employees' salaries, your legal practice, and your obligations if you are unable to work.

Group Rates

Unlike coverage you might find in the general market, you get the benefit of your association. Plus, you can never be singled out for a rate increase.

Advocacy

For decades, the PBA has been sponsoring customized insurance to meet the needs of lawyers. Our plan administrator, USI Affinity, employs a team to answer questions and help you understand your options. We're your advocate, and we work hard to understand and articulate your needs as a lawyer.

Stability

PBA and USI Affinity have gone through the paces of due diligence to ensure that you're getting coverage from a respected insurance carrier. This coverage is underwritten by New York Life, a leading insurance provider who is rated A++ (Superior) by A.M. Best for financial strength and is a recognized leader in service and claims experience¹.

Eligibility

Members of the PBA who are under age 60 and residents of the U.S. and are at FULL-TIME WORK² may apply for coverage.

How It Works

The maximum benefit period is 24 months for covered overhead expenses if you suffer a Total Disability while insured under the policy due to a covered illness or accident, and as a result, are continuously and completely unable to perform all of the substantial and material duties of your regular occupation. You must be under the care of a licensed

physician for your covered disability and not engaged in any occupation for pay or profit. Benefits are paid regardless of other insurance coverage you may have, and this coverage automatically renews, as long as applicable terms and conditions are met.

You will also be considered Totally Disabled if a covered illness or injury results in one of the following:

- Loss of sight in both eyes
- Loss of hearing in both ears
- Loss of the ability to speak
- Severance of two or more limbs

"Loss" means total and irreversible. Severance must be at or above the wrist or ankle joint.

Covered Overhead Expenses

There are many expenses that this coverage will cover to help keep your practice running. Eligible expenses include: rent and leased equipment, salaries for existing employees, utilities and phone, taxes, insurance premiums, and depreciation and other fixed overhead expenses as are normal and customary in the operation of your practice. You must actually incur the overhead expense in the course of operation of your office.

If your practice is incorporated, this coverage pays benefits in proportion to your share of ownership at the time of your covered disability. If you have more than one office, benefits are paid for the total of all eligible overhead expenses up to your selected limits.

Eligible Overhead Expenses do not include: salary, fees, drawing accounts, any compensation for you, or your partners, or any member of your profession employed by or working for you; the salary or professional fee of any individual hired after the date your disability begins; income taxes; personal expenses; charitable contributions; the cost of office equipment; salaries for any of your family members who were not regularly employed for at least three months prior to your being disabled; or the payment of principal on any indebtedness.

Features & Benefits

Waiting Period

The Waiting Period is the number of consecutive days you must be Totally Disabled before benefits begin. This coverage has a choice of a 15- or 30-Day Waiting Period.

Tax-Deductible Premiums

Premiums are typically tax-deductible as a business expense. Any benefit payments are generally taxable. You should consult with your personal tax advisor for further information.

Recurring Disability

Under this coverage, recurring disabilities that are due to the same or related cause will be considered a single period or disability unless separated by a return to FULL-TIME WORK² of three months or more.

Waiver of Premium

It's good to know that your insurance will continue should you become Totally Disabled. Premium payments for your coverage will be waived if you become Totally Disabled before age 60 and the disability lasts for at least six months. Please refer to your Policy for applicable conditions.

Worldwide Coverage

Once your coverage is effective, you are protected wherever you travel—whether for business or personal—as long as you remain a U.S. resident³.
